

AFTER-SCHOOL ENRICHMENT PROGRAM
Spring 2010

MONDAY CLASSES

Mar. 8, 15 Apr. 12, 19, 26 May 3, 10, 17, 24

Animal Invasion

Gr. K-3

3:30-4:30 p.m.

All types of animals strut, squirm or wiggle their stuff in this eye opening class. From snakes to squirrels, we bring them all. The children get to look at and discuss each animal introduced to the classroom and will be allowed to pet the animals only when it is absolutely safe. What creatures will we meet this session?
\$265
Animal Edventures

Volleyball

Gr. K-6

3:30 - 4:30 p.m.

BUMP, SET, SPIKE! Calling all athletes who have an interest in volleyball and want to have fun. This class will include basic instructions in rules, techniques, volleyball craft projects and much more! All skill levels are welcome. So lace up your shoes and see you on the court!
\$265
Ms. K. Kuramoto

Comic Book and Computer Animation

Gr. 2-6

3:30-4:30 p.m.

Want to learn to sketch all your favorite comic book and cartoon characters? Cartooning is a great way to learn and practice sketching and drawing! We'll be sketching all of our favorite characters and possibly creating a few of our own. If you're interested in learning the basics of computer animation, we'll use software to create simple animated characters, too!
\$265
Ms. Cefaly

Dancing To High School Musical 2

Gr. K-6

3:30 - 4:30 p.m.

Dancing to High School Musical focuses on the popular dances that are a part of this blockbuster hit. Learn Jazz dance and Hip-Hop choreography while dancing to the phenomenal music of High School Musical. Every child is a star in this high energy, fun class!
\$265
Bretney Padilla/Dancetime

Intermediate Korean Class

Gr. 1-6

3:30-4:30 p.m.

Let's level up your Korean! The course will introduce Hangeul, including phonetics, reading and writing, elementary level vocabulary, simple situational conversations, and cultural etiquette. This class is offered only in Korean and designed to enhance the speaking, writing and the reading level of those who already have a basic knowledge of the language. The proceeds of this class will be donated to St. James' School.
\$265
Minsun Suh

Pioneer Sewing

Gr. 3-6

3:30 - 4:30 p.m.

In the 1800's pioneer children often sewed their clothing. Assisted by Mrs. Kuramoto and Mrs. Vermette, you will have the opportunity to hand-stitch your very own sunbonnet and apron, or vest and coon skin hat, just like in pioneer days! If you complete both projects, you can make a draw-string bag or a string tie! Third graders can wear their outfit on Pioneer Day.
*This class is available on other days - see Mrs. Vermette about other options.
\$265
Mrs. Kuramoto & Mrs. Vermette

Creative Writing Corner: Husky Tales! Gr. 4 -6

3:30- 4:30 p.m.

Do you love writing fun, creative, crazy stories about clumsy vampires, superheroes afraid of heights, or just what could have happened during last summer's camping trip? Join the Creative Writing Corner as we explore our imaginations, sharpen our writing skills, and have fun! During our final class, students will read a piece of their writing at an Open Mic for friends and family and receive a copy of Husky Tales - a Literary Magazine featuring the young writers' stories and poems.
\$265
Ms. Micah Hales

TUESDAY CLASSES

Mar. 9, 16 Apr. 13, 20, 27 May 4, 11, 18, 25

You Can be A Songwriter!

Gr. 2-6

3:30-4:30 p.m.

You don't have to play an instrument to write your own song! Have a blast writing songs with a professional songwriter! Create your own music on GarageBand and leave class with a CD of your very own music!
\$265
Mr. Beeson

AFTER-SCHOOL ENRICHMENT PROGRAM
Spring 2010

***String Orchestra**

Must have 2 years experience. Space is limited. If you are interested in joining, please see Ms. McNamara for further information.

THURSDAY CLASSES

Mar. 11, 18 Apr. 8, 15, 22, 29 May 6, 13, 20

Drawing and Cartooning

Gr. 1-6

3:30-4:30 p.m.

Students select and learn how to draw their favorite cartoon characters such as Powderpuff Girls, Batman, Super Mario Brothers, the Smurfs, Sponge Bob, Tinkerbell, Charlie Brown, and more. Students will also create their own cartoon characters. Starting with pencil drawings, students will ink and color in their cartoons, and add in captions and talk bubbles to make their creations come alive.

\$265

Mr. C. Zapata

Basic Korean Class

Gr. K-6

3:30-4:30 p.m.

Learn the basics of Korean! No prior knowledge of Korean required.

The class will introduce Hangul, the Korean alphabet, phonetics, basic words, and formal/informal greetings, simple conversations, and cultural etiquette. This class is offered in both English and Korean by bi-lingual instructors.

\$265

Father Koh

Ceramics

Gr. K-6

3:30 - 4:30 p.m.

Come and learn the art of Ceramics! Students will learn the process for making ceramic sculptures.

These steps include clay building techniques, firing projects in the kiln, and glazing projects when finished. So bring your smocks, roll up your sleeves and get ready to sculpt clay!

\$265

Ms. K. Kuramoto

Track and Field

Gr. 2-6

3:30 - 4:30 p.m.

Would you like to run faster and jump higher? Do you want to increase your strength and endurance?

Track and Field class will help you do it all! Through the use of a variety of fun, fast-paced activities, students will work to enhance their speed, agility, and explosiveness. We will focus on the specific skills and techniques required for success in each of the following track and field events: sprints, middle and long distance running, baton relays, long jump, triple jump, hurdles, and high jump. The students will even participate in a special Olympic-style track and field competition serving to culminate the class. So come join us and get ready to soar to new heights!

\$265

Mr. DiPasquale

Lego Robotics

Gr. K-6

3:30-4:30 p.m.

Challenge every aspect of your creativity and intellect while learning the basics of engineering and physics as you graduate through 5 levels of robotics fun! Each class students are given a different project to build, test and modify. This class is as fun as it is inventive!

\$265

Parker/Anderson Enrichment

Video Yearbook

Gr. 5-6

3:30 - 4:30 p.m.

Wanna be a director? actor? producer? editor? Do all of this while showing your school spirit too! Join the 6th annual video yearbook crew and help us shoot and edit music videos, interviews, events and more! This is the final session where we bring everything together and present the yearbook to the entire school.

You will have tons of fun AND see your name in the credits!

\$265

Mr. Shamoon & Ms. Cefaly

AFTER-SCHOOL ENRICHMENT PROGRAM
Spring 2010

FRIDAY CLASSES

Mar. 12, 19 Apr. 9, 16, 23, 30 May 7, 14, 21

Origami

Gr. 2-6

3:30-4:30 p.m.

Come and learn the ancient art of paper folding called Origami. Discover how to fold shapes, animals, and even paper airplanes! Students will create mobiles, poems, and pop-ups from their origami creations.
\$265. Ms. A. Kuramoto

Husky Hoops Basketball

Gr. K-3

3:30 - 4:30 p.m.

SWOOSH! Calling all athletes who have an interest in basketball and want to have fun. This class will include basic instructions in rules, techniques, basketball craft projects and much more! All skill levels are welcome. So lace up your shoes and see you on the court!
\$265 Ms. K. Kuramoto

Chess Club: Fast Attacks & Killer Combos! Gr. 1-6

3:30-4:30 p.m.

How fast can you attack a chess opponent??!! **KILLER COMBOs** like The Seesaw, the Snakebite, the Shark Attack, and the worst one of all? The Little Minnow!! Each class has a lesson for beginners, a lesson for intermediate/advanced, and playing time for everybody! All school tournaments will be scheduled.
\$265 Parker/Anderson Enrichment

Top Chef

Gr. K-6

3:30-4:30 p.m

Boys and girls of all ages -- Sharpen your cooking skills! Would you like to join Mrs. Vermette and create new and interesting dishes? This cooking class will offer all new recipes. Sign up today and let's get cooking!

Please note: if your child has any food allergies or dietary restrictions, see Mrs. Vermette before signing up.
\$265 Mrs. Vermette

Computer Fun

Gr. 1-4

3:30-4:30 p.m.

Do you love using computers? Do you love computer class? Do you love fun? If you answered yes to these 3 questions, then Computer Fun is the class for you! Each week, students will get an hour to do the things they love in the computer lab. Activities range from playing an exciting new game, learning to edit photos, to engaging in an awesome new website. Students will have a great time, and improve their computer skills while doing it!
\$265 Mr. Shamoon

Art Smart

Gr. K-3

3:30-4:30 p.m.

Art and creativity will help your child excel in school. This creative class is hands-on. It features spin art, canvas and wood painting, oil pastels, holiday projects and more! Projects vary by session so your child will not be bored. Let's pull up our sleeves and let the fun (and learning) begin!
\$265 Sujata Alagh/Velasquez
