ENGAGING HEART, MIND, AND SPIRIT

Dolphin Newsletter

October 16, 2020

Dear Dolphin Families,

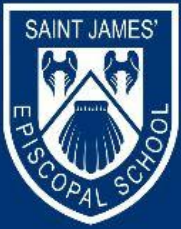

We had an amazing fun filled week with discussing Halloween traditions and creating festive decorations. We started the week by sharing stories about what we did for our four day weekend, then we read and listened to halloween books, and by Friday, we decorated capes and made pumpkin puppets. .

On Tuesday, the children exercised their fine motor skills by tearing orange and green construction paper to fill up a pumpkin picture. On Wednesday, we took turns picking our favorite character from the Big pumpkin story. We counted and made a graph to show how many friends liked which character in the book.

Have a great weekend!

Love,
Your Dolphin Teachers
